Dear Captain Hayes and Mrs. Dyer,

I would like to thank you for taking the time out of your busy schedules to come to Wildwood Middle School and give your "Internet Safety" presentation. The students and staff found your presentation to be both interesting and informative. With all of the "scary" predators in today's world, it is our responsibility to keep our children both safe and well informed of bad choices and their potential consequences.

Once again, we appreciate you giving us your time and sharing your valuable knowledge.

Sincerely,

Michelle Shaw
